Document	Schedule A to the DeRISK™ Intelligence Platform EULA — Products & Tiers
Version	1.0
Effective date	16 November 2026
Published at	denexus.ai/legal/products-tiers

This Schedule lists the products, tiers and add-ons available today and what each includes. New products and add-ons are added as they become available, with a new minor version. Nothing here commits DeNexus to future features (EULA 3.6).

1. Products available

PRODUCT	WHAT IT DOES	FREE TIER	PREMIUM TIERS
DeRISK™ CRQ	Quantifies cyber risk in financial terms for industrial operators	Level 1 (Estimate) and Level 2 (Baseline), self-serve	Level 3 (Board-Grade) and Level 4 (Evidence-Grade), by Order Form
DeRISK™ UWA	Supports cyber underwriting from insurer and broker submissions	Standard, self-serve	Professional and Enterprise, by Order Form

DeRISK™ Threat Intelligence content is included in both products, in every tier. Other products, levels and add-ons are not yet available and will be added to this Schedule when they are.

2. What each tier includes

DeRISK™ CRQ

LEVEL	TIER	INPUTS YOU PROVIDE	WHAT YOU GET
1 · Estimate	Free	Basic company information	One generic company report
2 · Baseline	Free	Answers to a short question set (fewer than 10 questions)	Generic company report with risk scenario analysis
3 · Board-Grade	Premium	A 50-question assessment in a framework you choose, and supporting documents	Five role-based reports (board, CISO, CFO, COO, CRO), at company or facility level

LEVEL	TIER	INPUTS YOU PROVIDE	WHAT YOU GET
4 · Evidence-Grade	Premium	Level 3 inputs plus OT network data at facility level	The same five reports, built on facility network evidence

DeRISK™ UWA

TIER	INCLUDES
Standard (Free)	One document per submission; pre-trained insurer and broker questionnaire formats; standard threat intelligence; standard cybersecurity frameworks; standard actuarial engine; short risk report
Professional (Premium)	Everything in Standard, plus multiple documents per submission, custom submission types, committee-ready reports, white-labelled reports, report retention, and an insurer-specific framework
Enterprise (Premium)	Everything in Professional, plus API access, a single-tenant deployment option, use of the insurer's own actuarial model, and the insurer's own report format

3. Add-ons

Add-ons attach to Premium Tiers only.

ADD-ON	WHAT IT DOES	AVAILABLE ON	HOW TO GET IT
DeRISK™ Davy	Answers questions about your existing DeRISK data in plain language; it does not create new analyses. Conversations are not stored: Davy keeps them only in your open browser tab, and they are lost when you reload the page or start a new chat. Davy does not remember past conversations	DeRISK UWA Professional and Enterprise	Order Form
DeRISK™ Consultant	Identifies the next-best remediation projects, their scope and order, and the financial risk reduction of each. It does not estimate remediation cost or schedule	Premium Tiers	Order Form

4. Retention, support, prices and limits

	FREE TIERS	PREMIUM TIERS
Customer Data and Outputs	Deleted when each run completes	Kept 12 months on a rolling basis; deleted earlier on request; longer by Order Form, which may carry a fee (EULA 7.5)
DeRISK™ Davy conversations	Not available	Not stored; kept only in the open browser tab
Support	None	Email and phone, 6:00 a.m. to 5:00 p.m. Pacific Time on business days, for up to 4 designated contacts
Service levels	None	As stated in your Order Form
Prices	Free	As stated in your Order Form

	FREE TIERS	PREMIUM TIERS
Run limits	Shown in the product	As stated in your Order Form

We may change prices, pricing structure and free run limits under EULA 9.4.
